**Item 3.02. Unregistered Sales of Equity Securities.**

On August 31, 2020, pursuant to Article IV, Section B, Subsection 5.2 of the Third Amended and Restated Certificate of Incorporation, as amended, of Harmony Biosciences Holdings, Inc. (the “Company”), the Company delivered to each holder of the Company’s previously outstanding Series A preferred stock (the “Series A Preferred”), Series B preferred stock (the “Series B Preferred”) and Series C preferred stock (the “Series C Preferred” and, together with the Series A Preferred and the Series B Preferred, the “Preferred Stock”) a notice indicating the number of shares of common stock, par value \$0.00001 (“Common Stock”), each such holder now holds following the conversion of the Preferred Stock into Common Stock and the payment of the cumulative accrued dividend in shares of Common Stock.

As previously reported, from September 22, 2017 through January 8, 2018, the Company issued and sold an aggregate of 34,692,635 shares of Series A Preferred at a purchase price of \$8.22 per share for aggregate consideration of approximately \$285.0 million. On January 8, 2018, the Company issued and sold an aggregate of 973,828 shares of Series B Preferred at a purchase price of \$10.27 per share for aggregate consideration of approximately \$10.0 million. On August 9, 2019, the Company issued and sold an aggregate of 3,105,320 shares of Series C Preferred at a purchase price of \$16.10 per share, for aggregate consideration of approximately \$50.0 million. All the Preferred Stock share numbers and prices disclosed above reflect the Company’s 1-for-8.215 reverse stock split, which was effected on August 11, 2020.

The Preferred Stock was issued to investors in reliance upon the exemption from the registration requirements of the Securities Act of 1933, as amended (the “Securities Act”), as set forth in Section 4(a)(2) under the Securities Act and Regulation D promulgated thereunder relative to transactions by an issuer not involving any public offering, to the extent an exemption from such registration was required.

In connection with the initial public offering (“IPO”) of the Company’s Common Stock, all of the Company’s outstanding shares of Preferred Stock were converted into shares of Common Stock. In addition, the Company paid out a cumulative accrued dividend to holders of the Preferred Stock in shares of Common Stock. Collectively, holders of the previously outstanding Preferred Stock received a total of 42,926,630 shares of unregistered Common Stock, resulting in a total of 56,883,640 shares of Common Stock outstanding. All fractional shares were paid in cash. Substantially all shares of Common Stock issued to holders of Preferred Stock are subject to a lock-up agreement that expires 180 days from August 18, 2020, the date the IPO was priced.

**Item 8.01. Other Events.**

As previously reported, the Food and Drug Administration (the “FDA”) recommended that the Company submit a complete response resubmission in pursuit of the adult cataplexy indication for WAKIX. Following such resubmission, the Company has received acknowledgement from the FDA that it considers the resubmission to be a complete Class 1 response to its August 14, 2019 action letter, and the user fee goal date, or decision date, is October 13, 2020.

**SIGNATURES**

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
